(C) Balancing Services - Continued

(5) Imbalance Trading Service ("ITS")

Direct Customers and Sellers serving firm, interruptible, off-peak firm, or power generation customers under Service Classification No. 9 will be permitted to trade end-of-month imbalances with other Direct Customers or Sellers at specific pipeline Citygate Receipt Points, as explained in the Company's Sales and Transportation Operating Procedures Manual. This trading will be allowed among firm, interruptible, and off-peak firm customers and will be limited to imbalances incurred during the same calendar month. Sellers and Direct Customers electing to trade imbalances will take the full risk of their trades and imbalances not traded will be subject to imbalance charges and cashout credits and surcharges, as explained in Service Classification No. 9 and this Service Classification. ITS will not be available after September 30, 2004, absent an amendment to this Service Classification.
