(7) Competitive Retail Choice Credit:

By Order of the Public Service Commission dated April 22, 2002, approving the Joint Proposal ("Proposal") dated February 15, 2002 in Case Nos. 00-G-1456 and 97-G-1380, Customers receiving firm transportation service under Rate (A) of SC No. 9 shall be credited with a Competitive Retail Choice Credit ("CRCC") of 2.4 cents per therm over the period May 1, 2002 through September 30, 2004 unless superseded by the implementation of unbundled rates in Case 00-M-0504 or any related proceeding. The CRCC will be reflected as a separate credit to the Monthly Rate Adjustment under Rate (A) and set forth on the Statement of Rate for SC No. 9 in effect over that period. The CRCC does not apply to any transportation customers taking service under Rates B-D of this Service Classification.

Commencing May 1, 2002 through April 30, 2003, firm transportation customers shall receive an additional credit pursuant to paragraph H.1 of the Proposal. The additional credit will be set forth on the Statement of Rate for SC No. 9 and will be unaffected by the implementation of unbundled rates and the associated elimination of the 2.4 cents per therm CRCC.

The Company shall calculate the total CRCC's credited monthly on firm transportation customer bills, including the additional credits specified above, less 0.12 cents per therm times the applicable monthly transportation volumes for each Rate Year between October 1, 2001 and September 30, 2004 ("Net CRCC's"), and reduce the following credits or revenues otherwise due customers by the Net CRCC's:
