G. Monthly Pole Attachment Fee for Use of Overhead Facilities

The monthly pole attachment fee for wood poles is \$.60 per pole. This fee will be subject to adjustments made from time to time by Company. Attachments to wood poles will be subject to an attachment agreement as stated in Special Provision A.

H. Other Charges

When additional facilities are required for secondary service, Company will install such facilities at customer's expense. Relocation of facilities of Company, joint owner, or prior licensees to accommodate customer street lighting equipment will also be done by Company, joint owner or prior licensees at customer's expense. In addition, pole replacements necessitated by the installation of customer's street lighting equipment shall be performed by Company or joint owner at customer's expense. Advance payment will be required by the Company for all such installations, pole replacements and relocations.
