SERVICE CLASSIFICATION NO. 4(Continued)

SPECIAL PROVISIONS:(Continued)

L. Service hereunder will be supplied by Company subject to the provisions or orders, amendments and interpretations thereof of any governmental body having authority or jurisdiction over such service, notwithstanding anything to the contrary in the rules and regulations, and the terms and conditions of service as set forth herein.

M. Billing quantities utilized prior to customer obtaining service under this Service Classification will be used for the initial term of service under this Service Classification, except that customer shall provide Company with thirty (30) days written notice prior to the customer increasing or decreasing the size or number of traffic signal equipment. Customer shall then pay for service during the initial term of service in accordance with revised billing quantities computed by the Company. After the initial term of service, billing quantities shall be determined as set forth in the "Determination of Billing Quantities" section of this service classification.
