GENERAL INFORMATION (Cont.)

- B. The other party(ies) must, as soon as possible, but in no case more than 15 calendar days following receipt of the complaint, provide a written response to the complaining party(ies), with an alternative resolution proposal if the complaining party's(ies') proposed resolution is deemed unacceptable; or, with the results of any informal resolution that may have been reached with the other party(ies) prior to that date.
- C. If the initial exchange of written material (and perhaps verbal discussions) does not resolve the dispute, the complaining party(ies) may request a meeting(s) to discuss the matter further. The responding party(ies) must agree to such a meeting(s) to be held within 15 calendar days following the request.
- D. The parties may agree to use alternative dispute resolution techniques with mutually agreed-upon time frames that may differ from those defined in the dispute solution process.
- E. If a resolution is not obtained within 45 calendar days after the initial complaint letter or the mutually agreed-upon time frame, either party may file the complaint with the Department of Public Service for resolution.
- F. If an ESCO/Marketer/Direct Customer or the Company believes that special circumstances (such as an emergency involving public safety, system reliability or significant financial risk) exist that would require more expeditious resolution of a dispute or complaint than might be expected under the process described here, it may submit its complaint to the Department of Public Service, with a copy provided to the other party(ies) involved in the dispute. The Department will respond to such a filing by:
 - 1. expeditiously resolving the dispute; or
 - 2. advising that the standards dispute resolution process described above be followed.
