GENERAL INFORMATION

II. APPLICATION FOR WATER SERVICE (Continued)

B. Application not Accepted from Customers in Arrears

No agreement will be entered into by the Company with any applicant for water service until all arrears and charges due from the applicant for water service at any premises now or heretofore owned by him/her in the territory supplied by the company shall have been paid.

C. Applicant Must Be Reasonably Permanent

Applicant must own the property to be served or present a lease for a period of not less than 1 year.

D. Shut-off of Joint Service

Where two or more premises are now supplied with water through one service connection under the control of one shut-off valve, if any of the parties so supplied shall violate any of these rules, the Company reserves the right to shut off the joint service connections, except that such action shall not be taken until the innocent customer, who is not in violation of the Company's rules, has been given a reasonable opportunity to attach his or her pipe to a separately controlled service connection.

III. SERVICE PIPE AND MAINS

A. Separate Application for Each Premises

A separate application must be made and a separate service installed for each premises. The word "premises" as used herein shall be restricted to the following:

1. A building under one roof owned or leased by one customer and occupied as one residence or one place of business, or
2. A combination of buildings owned or leased by one customer, in one common enclosure, and the group of buildings occupied by one family as a residence or one corporation or firm as a place of business, or
3. Each unit of a multiple house or building separated by a solid vertical wall extending from the ground and occupied by one family as a residence or one firm as a place of business, or
4. A building owned or leased by one customer and having a number of apartments, offices, or lofts which are rented to tenants using in common one hall and one or more means of entrance, or
