GENERAL INFORMATION

IV. METERED SERVICE:

- A. Each premise shall be billed in accordance with the metered rate charges as set forth in Service Classification No. 1 or 2 as applies to the type of premises.
- B. The properly identified agents of the Company shall at all reasonable hours have free access to all parts of the premises to which water is delivered, for the purpose of inspection and examination of fixtures.
- C. Water is furnished at specified rates including a service charge. If, therefore, a customer furnishes other premises with water, or permits them to take water without the Company's consent, or uses it for purposes not stated in their application, it is a violation of the Company's filed tariff and the Company shall make such charges as it has scheduled for such premises.

D. Materials Furnished and Maintained by the Company

The Company will furnish and install meter vaults and furnish, install, and maintain meters. The Company will maintain meters as stated insofar as ordinary wear and tear is concerned, but in case of damage by freezing, hot water, or external damage, the customer will be held responsible for the cost of the repairs. The Company recommends the installation of suitable equipment properly located and installed, to prevent back flow of hot water which may cause damage to the meter, or other damage to customer's plumbing.

E. Location and Reading of Meters

The customer will provide a suitable place for the location of the meter vault. Meters shall be open to inspection and reading by the Company's authorized representative, at any reasonable hour.

F. Right to Remove and Test Meters

The Company reserves the right to remove and test any meter at any time and to substitute another meter in its place.
