GENERAL INFORMATION

VII. RULES RELATING TO THE INSTALLATION OF MAINS, SERVICES, CONNECTIONS AND FACILITIES AND EXTENSIONS (Continued)

FORM OF EXTENSION AGREEMENT

AGREEMENT made this ____ day of _____
 between _____
 hereinafter referred to as the "Company" and _____
 hereinafter referred to as the "Applicant."

WHEREAS the Applicant is the owner or occupant of property abutting on a street, avenue, road or way, or public place open to the general public for highway purposes within the territory prescribed by the Company's schedule of water service filed with the Public Service Commission in which there is no water main within a distance of seventy-five (75) feet from said Applicant's property, and has applied in writing for an extension by the Company of the ____ inch main from a point on _____ street for a distance of _____ feet to a point on _____ street, and

WHEREAS the Applicant has satisfactorily assured the Company that he/she will be a reasonably permanent customer directly connected with said main as extended, and the said Company reserving its right to demand that the Applicant furnish security for the performance of this contract on his/her part to be performed, and

WHEREAS the Applicant will furnish all necessary easements without cost to the Company:

NOW, THEREFORE, said Applicant and the Company, in consideration of One Dollar (\$1.00) by each to the other in hand paid, the receipt of which is hereby acknowledged, and other mutual and valuable consideration, do hereby as follows:

1The said Company will at its own cost and expense extend a _____ main as above set forth, and provide, maintain and replace at its own cost and expense all mains, service pipes, service connections and other facilities as same may be necessary within the confines of said _____ street, avenue, road or way, or other public place, said costs and expenses to include the amounts paid to governmental authorities for permits to do the work required and all paving charges that are legally imposed by any governmental authority for the repair or replacement of the street or sidewalk which may be disturbed in the course of such installation.
