### GENERAL INFORMATION

#### VI. GENERAL RULES (Continued):

- 5.For cross-connecting pipes carrying water supplied by the Company with any other source of supply or with any apparatus which may endanger the quality of the Company's water supply.
- 6.For refusal of reasonable access to the property for the purpose of inspecting fixtures or piping.
- 7.For violation of the rules of the Company as filed with the Public Service Commission.
- 8.For sub-metering or reselling water.

#### C.Restoration of Service Charge

- 1.A customer will be required to pay a restoration of service charge if re-establishment of service is requested after a seasonal or short-term disconnection request is made, or where said service was terminated as a result of nonpayment of bills or other tariff charges, or as a result of violation of the rules of this schedule. In addition to the payment of all applicable charges under the customer's service classification, a \$75.00 restoration of service charge will be charged to the customer.
- 2.If it become necessary to disconnect service at the main because of a customer's culpable conduct, the service restoration charge will include the actual costs incurred to terminate and restore service. If the customer's culpable conduct resulted in damage to Company equipment, such as, but not limited to, fittings, valves, or tubing, the restoration of service charge may include the actual cost to replace the damaged equipment.

D.Intentionally left blank.

#### E.Sprinkling

The charge for water under the service classifications numbers 1 and 2 include the use of water for sprinkling. There may be times when, in the opinion of the Company, it may be necessary to restrict the use of this service to certain definite periods or to prohibit it entirely. In this event, all customers will be notified.
