GENERAL INFORMATION

VIII. INSTALLATION OF MAINS, SERVICES, FACILITIES AND EXTENSIONS NOT COVERED IN SECTION VII. (Continued)

- a. The ratio of seventy-five (75) feet times the number of customers (plus an allowance of twenty (20) feet per hydrant) to the entire length of the extension, or
 - b. The ratio of the average yearly revenues for the third, fourth and fifth years from all customers served by the extension to twenty-five percent (25%) of said deposit.
5. On and after five (5) years from the date that water service is made available from said extension, all right of the applicant to refund, except as set forth herein, shall cease and be at an end.
 6. Any refund determined pursuant to 3 or 4 above, if not paid within sixty (60) days after the date such refund becomes due, shall bear interest at the rate of six percent (6%) per annum from the date it becomes due, except that such interest shall cease when reasonable effort has been made to make such refund. Any balance or remainder of the deposit shall be retained by the Company.
 7. The facilities installed shall be and remain the property of the Company, and the Company shall have the right to make further extensions without obligation to make any refund to the applicant other than those provided for above.
- C. If the applicant or the Company is of the opinion that the rules hereinbefore set forth are unjust and unreasonable because of special facts or circumstances, application may be made to the Public Service Commission for modification of such rules and regulations.
