SERVICE CLASSIFICATION NO. 8 (Cont'd)

PUBLIC STREET AND HIGHWAY LIGHTING (Cont'd)

INCREASE IN RATES AND CHARGES

The rates and charges under this Service Classification including the fuel adjustment are increased pursuant to General Information, Section 30, to reflect tax rates applicable within the municipality where the customer takes service.

SPECIAL PROVISIONS

The numbering of the paragraphs hereunder begins with the above service classification number.

- 8.1 No more than 5% of the Company Owned lights in any municipality shall be replaced in any year unless otherwise approved by the Company in writing.
- 8.2 The Company, at the customer's request, will change the type or size of lights at existing locations, install lights at new locations and remove existing lights provided that the design of all new lights and supports must be approved by the Company.
- 8.3 The Company shall have the right to remove any Company owned equipment, or to discontinue service to customer owned equipment, which in the opinion of the Company shall have become unsatisfactory for further service by reason of deterioration, civil commotion, state of war, explosion, fire, storm, flood, lightning or any other cause reasonably beyond the Company's control. Replacement shall be limited to equipment considered appropriate by the Company at the date of re-installation.
- 8.4 The Company shall not be obligated to repair or replace in kind any non-standard luminaire. The Company will remove the non-standard luminaire or, at the customer's request, replace it with any standard luminaire offered for service at that time for which the customer will be charged the appropriate rates.
- 8.5 As a condition of receiving service hereunder, the customer authorizes the Company, insofar as it lawfully may, to trim, cut, remove and to keep trimmed, cut and remove any trees and all other obstructions which, in the opinion of the Company, interfere with or may tend to interfere with the construction, operation and maintenance of the Company's service provided hereunder. Tree trimming required for light distribution on the highway, street and/or sidewalk surfaces is the responsibility of the customer, and shall be done by the customer or at the customer's expense.
