**SERVICE CLASSIFICATION NO. 10 (CONT'D)**

**NATURAL GAS SUPPLY POOLING SERVICE (CONT'D)**

**BILLING QUANTITY:**

The monthly billing quantity under this service classification shall be the quantity of gas nominated by the Customer and delivered to the designated city-gate receipt point(s) for the month.

**TERM:**

The term of this service shall be as specified in the Pool Agreement.

**GENERAL TERMS AND CONDITIONS OF SERVICE:**

To the extent not inconsistent with the provisions of this service classification, service provided hereunder shall be in accordance with the general terms and conditions of service set forth in the General Information Section of this Schedule.

**SPECIAL PROVISIONS:**

- A. Service is available on a first-come, first-serve basis subject to the Company's sole determination that pipeline capacity is adequate to supply the total estimated gas requirements of its customers receiving service under sales service classifications and to provide the service requested hereunder.
- B. Service hereunder is subject to interruption at the Company's sole discretion, and shall be interrupted prior to any firm sales customers.
- C. Notwithstanding any other provision of the Service Agreement or this Schedule, if the Customer violates any provision or condition of service in the Service Agreement, this service classification or the General Information Section of this Schedule, the Company shall have the absolute right, in its sole discretion, to immediately terminate service to the Customer.
- D. The Customer shall pay for a quantity of gas, in addition to that needed to meet the Customer's load, to be used for fuel, line loss and unaccounted-for gas. Such quantity shall be as required by the pipelines used by the Company to provide service hereunder.
- E. Delivery of all gas provided hereunder, from the Company's city-gate receipt point to the Customer's facilities, shall be pursuant to the Customer's applicable transportation service classification.
