### GENERAL INFORMATION

#### 4. BALANCING RECEIPTS AND DELIVERIES OF CUSTOMER-OWNED GAS: (CONT'D)

##### B. Monthly Balancing For Daily Metered Customers (Cont'd)

<u>Classification</u>	<u>Description</u>	<u>Charge</u>
Allowed Positive Imbalance:	Up to five percent (5%) of the current month's metered usage or 1,500 Therms, whichever is greater	No Charge
Excess Positive Imbalance:	In excess of the allowed positive imbalance to one hundred percent (100%) of the current month's metered usage	\$.02/Therm
Excessive Positive Imbalance:	Greater than one hundred percent (100%) of the current month's usage (Customer retains ownership of gas)	\$.25/Therm

##### Monthly Cash-Out:

Customers may elect to cash-out positive monthly imbalances at eighty percent (80%) of average Minimum Daily Gas Index for the prior month, plus fuel and variable transportation charges.

In addition to the balancing charge, if the Customer incurs excessive positive imbalance, the Company may, at its sole discretion, terminate receipt of transportation gas until their positive imbalance level is reduced to zero (0) and the Customer's account is once again in balance. The Company reserves the right to determine when positive imbalance levels threaten its ability to meet the demands of its other customers or is detrimental to the Company's supply economics, whether Firm or Interruptible service.
