SERVICE CLASSIFICATION NO. 3 (CONT'D)

TERMS OF PAYMENT:

Net payment of bill accepted if payment made on or before the 20th day of the following month. After the 20th, a 1-1/2% per month (18% per annum) charge will be added monthly.

TERM:

One (1) year from commencement of service under this "service classification" and thereafter until canceled by customer upon ninety (90) days prior notice to the Salamanca Board of Public Utilities' Electric Department. Cancellation by customer followed by resumption of service at the same location within one (1) year shall not modify in any way the "determination of demand", as above provided.

SPECIAL PROVISIONS:

- A. Written application for service upon a Salamanca Board of Public Utilities form is required, to which a rider, whenever applicable, shall be attached.
- B. A discount of five percent (5%) of the net monthly bill will be granted to customers who supply their own transformers, transformer platform (or pad), lightning arrestors, and cutouts, and take service at primary voltage (4800 V.).
- C. Municipality shall not be required to provide facilities to supply service in excess of the amount of the active demand specified in the written application for service.
