NIAGARA MOHAWK ACCOUNT NUMBER

Please apply the Fixed Price Option to my bills received in December 1, 1997 through April 30, 1998. I understand that the FPO fixes only the commodity cost of gas portion of my bill at 29.646 cents per therm and is designed to stabilize fluctuation in gas costs that would otherwise be reflected in my rates. I also understand that the fixed gas price may result in bills that are higher or lower than the traditional pricing method, and that my gas bill will continue to fluctuate based on usage. I understand that my signature commits me to purchase gas under the fixed gas price option for the entire period described in this form after which the traditional pricing method will be restored in my bills. Except for the FPO feature of my bill, all aspects of my service with Niagara Mohawk will remain the same. I understand that Niagara Mohawk will limit participation in this program to 10 percent of eligible customers on a first-come, first-served basis.
