SERVICE CLASSIFICATION NO. 5A - Continued

Special Provisions:

A. Level of Service:

For customers taking service under Rate Schedule 2, the degree of interruption, if any, and the interruption notice requirements will be specified in the customer's service agreement. The order of interruption for interruptible customers taking service under Rate Schedule 2 will be determined based on customers' rates, with the customer paying the highest rate being offered gas first.

B. Responsibility for Transportation:

Customers taking service under Rate Schedule 2 of this service classification having service agreements specifying a delivery point that is not at the meter of the customer's facilities located in the service territory will be responsible for securing (1) interstate pipeline transportation to transport the gas from the delivery point to the Company's facilities, if necessary, and (2) local transportation service from the Company under Service Classification No. 11 to transport the gas from a point of receipt at the Company's facilities to the customer's facilities located in the service territory.
