DEFINITIONS

Redelivery Capacity Quantity (RCQ) - The maximum quantity of gas that the Company shall be required to receive for Customer's account for later redelivery to Customer pursuant to Customer's Comprehensive Transportation and Balancing (CTB) service agreement. Such quantity shall be subject to the limitations, restrictions and other provisions contained herein.

Delivery Period - Period beginning on May 1st and ending October 31st of a calendar year.

Redelivery Period - Period beginning on November 1st of a calendar year and ending April 30th of the next calendar year.

Daily Delivery Quantity (DDQ) - The quantity of gas delivered by Customer to Company (or for Company's account) hereunder on any day which is in excess of the quantity of gas transported and delivered by Company to Customer on such day. Such quantity shall be adjusted for fuel allowances.

Daily Redelivery Quantity (DRQ) - The quantity of gas transported and delivered by Company to Customer hereunder on any day which is in excess of the quantity of gas delivered by Customer to Company (or for Company's account) hereunder on such day. Such quantity shall be adjusted for fuel allowances.

Redelivery Balance - At any time shall be equal to the sum of all Daily Delivery Quantities during any time period, minus the sum of all Daily Redelivery Quantities during such time period, plus Customer's Redelivery Balance (if any) at the start of such time period.
