TO BE FILLED OUT BY RELIGIOUS ORGANIZATIONS AND COMMUNITY RESIDENCES, AND VETERANS* ORGANIZATIONS: The Public Service Law, Section 76, permits certain corporations or associations organized and conducted in good faith for religious purposes, including the operation by such corporation or association of a school, notwithstanding that secular subjects are taught at such school, certain community residences as defined in the Mental Hygiene Law, and posts or halls, owned or leased by a not-for-profit corporation that is a veterans* organization, to receive services at rates no greater than the rates charged to residential customers, (see the Additional Information section of this form for details). Residential rates are lower than commercial rates for most customers but not for every customer. If Niagara Mohawk denies the customer residential rates, the company shall upon written request inspect the applicant's premises and review the company's decision in light of the information obtained from such an inspection. The applicant may appeal Niagara Mohawk's denial of residential rates to the Public Service Commission.
