 SERVICE CLASSIFICATION NO. 1
 RESIDENTIAL SERVICE

APPLICABLE TO USE OF SERVICE FOR:

- 1) Residential purposes, in an individual residence and in an individual flat or individual apartment in a multiple family dwelling.
- 2) Residential purposes in a rooming house where not more than four rooms are available for rent.
- 3) Religious bodies as required by Public Service Law, Section 76.
- 4) Space heating and/or water heating in a two-family or three-family dwelling when the piping is arranged for supply of service through a single meter of one of the apartments or through a separate meter.
- 5) Space heating and/or water heating in a building housing not more than two one-family residential units and a commercial undertaking when that portion of the building used for residential purposes shall be in excess of 50 percent of the cubical content of the building and when the piping is arranged for supply of service through a single meter of one of the apartments or through a separate meter.
- 6) Use primarily and principally in connection with a community residence as defined in subdivision twenty-eight, twenty-eight-a, or twenty-eight-b of section 1.03 of the mental hygiene law and as required by Public Service Law, Section 76, provided that such facility is operated by a not-for-profit corporation and if supervisory staff are on site on a twenty-four hour per day basis and that the residence provides living accommodations for fourteen or fewer residents.
- 7) Any post or hall owned or leased by a not-for-profit organization that is a veterans* organization.
