**(B) Company Cost Responsibilities - Continued**

- (5) If due to unusual circumstances the actual cost per foot of a particular installation is greater than two times the Company's average cost per foot of new installations for service for the twelve months ended September 30 of the previous year, it may apply to the Commission for relief from so much of General Rule III 3 (B) as it deems necessary in order to provide the service.

**(C) Charges for Additional Facilities:**

- (1) If, in order to provide service to an applicant, the Company must install mains and appurtenant facilities in addition to those required to be provided without charge under General Rule III 3. (B), the Company shall impose a surcharge subject to the following provisions:
- (a) the surcharge relating to mains and appurtenant facilities including return, depreciation, taxes and maintenance shall not exceed 20 percent per year of the actual reasonable cost of such facilities that exceeds the portion which the Company is required to install without charge to an applicant, if the Company lays a main of 4 inches or less in nominal diameter (in the case of low pressure distribution), or of 2 inches or less in nominal diameter (in the case of high pressure distribution). If the Company lays a main greater than 4 inches in nominal diameter (in the case of low pressure distribution) or greater than 2 inches in nominal diameter (in the case of high pressure distribution), the
