**IX. Special Adjustments - Continued**

**2. Interruptible Sales Credits - Continued**

**(A) The monthly revenues available for credit to *Firm Sales Customers only*, are: (continued)**

- (3) 85 percent of any positive monthly net revenues (as a credit) or 15 percent of any negative monthly net revenues (as a charge) from Service Classification No. 19 sales and other off-system transactions plus 85 percent of the fixed pipeline demand charge component of the Service Classification No. 19 cost of gas.

Monthly net revenues from Customers taking service under Service Classification No. 19 and other off-system transactions not including revenues derived from emergency sales to other gas utilities are total revenues less:

- (a) revenues attributable to the "Increase in Rates and Charges"; and  
(b) the total cost of gas reflected in those revenues.

Emergency sales to other gas utilities are sales made by reducing the quantity of gas that otherwise would be used in the Company's electric and steam departments.
