SERVICE CLASSIFICATION No. 7

SEASONAL OFF-PEAK SERVICE

Applicable to Use of Service for:

Available to any consumer, upon written application for gas for space heating, air conditioning, water heating, and/or steam generation, during the months of April to November, both inclusive, provided such applicant shall guarantee to the Company a minimum revenue of not less than \$108.00, plus the revenue from the applicable gas adjustment, during the season in which this rate is available which is defined as being the period between April 1st and November 30th, both inclusive; also available during the months of December to March, both inclusive, on an interruptible basis at the sole option of the Company. Not available to consumers receiving similar gas service at the same location under any other service classification, as contained in this Schedule for Gas Service. See Special Provisions.

Character of Service:

Natural gas of not less than 975 Btu, dry basis, per cubic foot at a pressure of not less than four inches of water column gauge, as measured at the consumer's end of the service line.

Continuous during the period from April 1st to November 30th.

Interruptible, at the sole option of the Company, during the period from December 1st to March 31st. After notice (by telephone, telegraph or otherwise) by the Company to the consumer, consumer shall discontinue the use of gas in accordance with such notice. Service will be limited to natural gas available over and above the requirements of consumers taking continuous service. See Special Provisions.
