SUPPLEMENTAL SERVICE - Continued

AGREEMENT FOR SERVICE
UNDER
SERVICE CLASSIFICATION NO. 4

_____, with its principal
offices at _____ in the _____
of _____, (hereinafter "Customer") agrees to take, and National Fuel Gas Distribution
Corporation, a New York corporation with its principal offices at 10 Lafayette Square, Buffalo, New York 14203,
(hereinafter "Company"), agrees to render, service under the Company's Schedule for Service, P.S.C. No. 8 - Gas.

The service contracted for hereunder shall be rendered to the Customer's premises at
_____ in the _____ of _____, New York.

The Customer's Maximum Daily Volume is the maximum daily volume of gas delivered by the Company to the Customer during a single day during the winter period running from December 1 to February 28. The Maximum Daily Volume will be established at a level equal to the highest single day consumption during the first month of the first winter period that a customer receives service under SC 4. The Customer's Maximum Daily Volume will remain in effect for a twelve month period, unless reestablished as set forth herein, and will be used by the Company for billing purposes during that term. If, in a subsequent winter month, the Customer exceeds the previously established Maximum Daily Volume, then the Customer will be deemed to have reestablished a Maximum Daily Volume equal to the higher volume of gas delivered to the Customer. The reestablished volume shall be the Maximum Daily Volume for a twelve month period commencing with the first month that the demand component of this rate reflects the reestablished Maximum Daily Volume.

After the expiration of the twelve month period, a new Maximum Daily Volume will be established, as set forth above, based on the Customer's consumption during the next winter month.

The term of this Agreement is in the time period during which the Customer receives supplemental service from the Company.
