Rates lower than and terms different than the rates and terms shown on this Schedule may be negotiated with the Company. Any such negotiated rates and terms shall be specified in the Customer's Transportation Service Agreement. The minimum rate level which may be established in negotiations is \$0.1000 per Mcf.

The Company may also establish rates lower than the ceiling rates specified above for specific groups of Customers provided that the Company files the qualification criteria and the applicable rate with the Department of Public Service, not less than three business days prior to the beginning of the month for which the rate will be in effect. Provided, however, that the Company may increase said lowered default rate
