SERVICE CLASSIFICATION No. 14 (Cont*d)

SALES SERVICE FOR TRANSPORTATION CUSTOMERS - Continued

herein must nominate the level of service requested. If the Customer will be transporting gas supplies during the month from third party sources in addition to the volumes transported under this Rate Schedule, Customer must nominate the level of default rate or negotiated sales service to be received under this Rate Schedule.

3. Charges under this Service Classification are in addition to charges under SC 13D or SC 13M.

4. For purpose of reference, the Company will continue publishing on a monthly basis the equivalent of the "Company Cost of Gas" previously contained in the Boiler Fuel Rate Statement of former SC 11, which is the weighted average commodity cost of gas delivered to the Company through upstream pipelines as calculated in the Company's monthly gas adjustment under General Information Section 19 above.
