GENERAL INFORMATION (CONT'D)

J. Limitation of Use

No other source of electric service shall be introduced or permitted directly or indirectly, for the customer's use under this schedule without prior written notice to the Utility.

K. Power Factor

The customer receiving three phase service shall maintain a power factor at the point of delivery of between 0.90 leading and 0.90 lagging at all times. Should the customer fail to install the necessary corrective equipment within 90 days after notification by the Utility that the consumers power factor is not within the above limits, the Utility shall install the necessary equipment at the consumer's expense.

XX. LIABILITY OF UTILITY

A. Service

1. The Utility will endeavor at all times to provide a regular and uninterrupted supply of service, but in case the supply of service shall be interrupted, or irregular, or defective, or fail from causes beyond its control or through ordinary negligence of employees, servants, or agents, the Utility will not be liable therefore.
