GENERAL INFORMATION (CONT'D)

3. A deferred payment agreement offered pursuant to (B)(1)(a) of this Rule, may require the customer to pay the outstanding charges in monthly installments of up to the cost of one-half of the customer's average monthly usage or one twenty-fourth of such charges, whichever is greater.

4. A deferred payment agreement may provide for a greater or lesser downpayment, a longer or shorter period of time, and payment on any schedule, if mutually agreed upon by the parties.

F. Broken Agreements:

1. The first time a customer fails to make timely payment in accordance with a deferred payment agreement, the Utility shall give the customer a reasonable opportunity to keep the agreement in force by paying any amounts due under the agreement.

2. Except as provided in a. above, if a customer fails to comply with the terms of a deferred payment agreement, the Utility may demand full payment of the total outstanding charges and send a final termination notice in accordance with Rule (XV)(B)(3)(b).

XIX. SERVICE CONNECTIONS

A. Approval of Connection

Before service is supplied at any location, including Mobile Homes and Mobile Home Parks, the customer shall furnish to the Utility, at the customer's own expense, satisfactory evidence as to the safe condition of his or her wiring and equipment.
