TERMS OF PAYMENT

All bills are due when personally served or three days after the mailing of the bill and may be paid in full on or before the "last day to pay" date on the bill, which shall be at least 23 days after the date on which the bill is rendered.

A monthly late payment charge will be assessed at a rate of one and one-half percent (1-1/2 %) on a customer's unpaid balance, including service billing arrears and unpaid late payment charges.

Remittance mailed on the "last day to pay" date will be accepted without the late charge, the postmark to be conclusive evidence of the date of mailing. The failure by the customer to receive the bill shall not entitle him/her to pay without the late payment charge after the "last day to pay" date.

Termination by the customer followed by renewed service at the same location by the same customer within one year will not be permitted unless the Minimum Charge that would have been incurred if the meter had remained active is paid.

SPECIAL PROVISIONS
