SERVICE CLASSIFICATION No. 2 (Continued)

Remittance mailed on the "last day to pay" date will be accepted without the late charge, the postmark to be conclusive evidence of the date of mailing. The failure by the customer to receive the bill shall not entitle them to pay without the late payment charge after the "last day to pay" date.

PURCHASED POWER ADJUSTMENT

The charges set forth in this service classification shall be subject to a purchased power adjustment as explained in the NYMPA generic tariff.

The charges billed under this section shall be subject to the late payment rate.

TERM

Terminable by the customer on three (3) days written notice to the Company and by the Company in manner provided by law and rules and regulations of the Company.

Termination by the customer followed by renewed service at the same location by the same customer within one year will not be permitted unless the Minimum Charge that would have been incurred if the meter had remained active is paid.

SPECIAL PROVISIONS

When the installation includes welders, X-rays, or other apparatus having a highly fluctuating or large instantaneous demand, the customer shall provide batteries, rotating equipment or other corrective equipment to reduce the inrush current to an amount acceptable to the Company.

Whenever the consumption has exceeded 6000 KWH in each of three consecutive monthly billing periods, the customer will be transferred to Service Classification No. 3 as of the following billing period.
