Certificate of Compliance
Dwelling Converting to Gas Space Heat

2. I have inspected the building at _____
(Location)
by _____ and certify that it meets the
(Owner)
requirements of the Minimum Insulation Standards for dwellings converting to gas space heat.

The undersigned certifies that a properly executed copy of this certificate will be delivered to the owner and further attests that all statements and representations contained in this certificate are true and accurate.

Date

Signature of Contractor or
Utility Representative

I. Dual Fuel Requirement:

- (1) To obtain gas hereunder, a new customer whose total use will be 50,000 Dth or more per year, shall install and shall thereafter maintain full capability to use an alternate form of energy in lieu of gas for all purposes for which the new gas obtained hereunder is to be used.
- (2) To obtain gas hereunder, any existing customer who requests additional service that would bring that customer's total usage to 50,000 Dth or more per year, shall install and shall thereafter maintain full capability to use an alternate form of energy in lieu of gas for all purposes for which the additional gas hereunder is to be used.
