## GENERAL INFORMATION

### 17. GLOSSARY: (CONT'D)

#### Cubic Foot (CF): (Cont'd)

##### B. Other Than Low Pressure Sales Under Section 17.A.:

For sales at high or intermediate pressures or where an orifice type meter is used, or a displacement type meter, with pressure volume or time devices, or for which pressures are recorded or taken or having incorporated into it, devices to correct to a standard pressure or temperature base, is used, a cubic foot of gas shall be that amount of gas which occupies one cubic foot at an absolute pressure of 14.73 lbs. per square inch and a temperature of 60° Fahrenheit. To determine the volume of gas delivered, required factors such as pressure, flowing temperature, specific gravity and deviations from the laws for ideal gases shall be applied. The average absolute atmosphere pressure (Barometric Pressure) shall be assumed to be 14.4 lbs. per square inch, irrespective of actual elevation or location of the delivery point above sea level or variations in actual barometric pressure from time to time. The temperature of the gas flowing through the meter or meters shall be the arithmetic average of the temperature record; or read from established tables of monthly averages for the location involved. The gas shall be measured in accordance with methods in use in the industry generally and recommended by the Gas Measurement Committee of the Natural Gas Department of the American Gas Association, applied in a practical manner.

**Ccf** - Shall mean one hundred (100) cubic feet.

**Deferred Payment Agreement (DPA)** - is a written agreement for the payment of outstanding charges over a specified period of time. It must be signed in duplicate by a Company representative and the Customer, and each must receive a copy, before it becomes enforceable by either party.

**Dekatherm (Dt)** - Shall be the quantity of heat energy equal to one million (1,000,000) BTUs.

**Delinquent Non-Residential Customer** - A customer who has made a late payment on two (2) or more occasions within the previous twelve-month period.

**Late Payment** - is any payment made more than twenty (20) calendar days after the date payment was due. Payment is due as specified by the Company on its bill, provided such date does not occur before personal service of the bill or three (3) calendar days after the mailing of the bill.
