SERVICE CLASSIFICATION NO. 9**TRANSPORTATION MONTHLY BALANCING SERVICE (CONT'D)****SPECIAL PROVISIONS:**

- A. Service is available on a first-come, first-serve basis subject to the Company's sole determination that its existing delivery capacity and facilities are adequate to supply the total estimated gas requirements of its customers receiving service under sales service classifications and to provide balancing service.
- B. Service hereunder is subject to temporary conversion to daily balancing, at the Company's sole discretion, in response to an Operational Flow Order (OFO) issued in accordance with General Information Section 21 of this Schedule.
- C. Notwithstanding any other provision of this service classification, if the Customer or Pool Operator violates any provision of this service classification or General Information Sections of this Schedule, the Company shall have the absolute right to terminate immediately Transportation Monthly Balancing Service to the Customer or Pool Operator.
- D. Customers requiring transportation of gas from the Company's receipt point(s) to the Customers' facilities at a delivery point within the Company's service territory, must execute a Transportation Service Agreement with the Company for such service in accordance with the provisions of this Schedule and the applicable transportation service classification.
