This Agreement is subject to all valid existing and future laws, rules, regulations and orders of all governmental authorities (federal, state and local) having jurisdiction over the parties hereto or the subject matter hereof. NYSEG's duties hereunder shall be contingent upon the receipt and continuance of any necessary franchise from the New York State Public Service Commission and from any city or municipality and shall be contingent upon the receipt and continuance of any and all other necessary regulatory authorizations, permits, other authorizations, land or other rights of any kind suitable to NYSEG in its sole discretion, as may be reasonably required or necessary to enable NYSEG to lay pipelines, construct or place other necessary and appurtenant facilities, hook up, serve or to continue to serve Customer hereunder. The filing of such applicable changes and revisions to any applicable service classification(s) shall be without prejudice to the right of the Customer to contest or oppose the effectiveness of such filing. Such changes, however, will not change the price charged to Customer during the term of this Agreement, except for such changes to prices that are explicitly permitted to be made pursuant to the terms of this Agreement.
