GENERAL INFORMATION

13. METER READING: (continued)

13.4.2.1.1 The Company has failed to obtain access to the meter(s).

13.4.2.1.2 Circumstances beyond the control of the Company made obtaining an actual reading of the meter(s) extremely difficult, despite having access to the meter area. Estimated bills for this reason may be rendered no more than twice consecutively without the Company advising the customer in writing of the specific circumstances and the customer's obligation to have the circumstances corrected.

13.4.2.1.3 The Company has good cause for believing that an actual or customer reading obtained is likely to be erroneous. Estimated bills for this reason may be rendered no more than twice consecutively without the Company initiating corrective action before the rendering of the next cycle bill.

13.4.2.1.4 Circumstances beyond the control of the Company prevented the meter reader from making a premises visit.

13.4.2.1.5 An actual meter reading was lost or destroyed. An estimated bill for this reason may be rendered no more than once without the Company initiating corrective action before the rendering of the next cycle bill.

13.4.2.1.6 An estimated reading has been prescribed or authorized by the Commission for a particular billing cycle.

13.4.2.1.7 An estimated reading is the approved billed method in accordance with the Company's tariff for the billing.

13.4.2.1.8 An unmetered condition was in existence during the period.
