SERVICE CLASSIFICATION NO. 10
NATURAL GAS VEHICLE SERVICE (continued)
</div>

TERM OF PAYMENT:

Bills are due and payable. Full payment must be received on or before the due date shown on the bill to avoid a late payment charge of one and one-half percent (1 1/2%).

Budget billing is not available to customers under this Service Classification.

TERM:

The initial term of service is one year commencing with the first day of the month in which natural gas vehicles are able to begin refueling. Service will be continued from year to year thereafter unless terminated by advance written notice of either party to the other, given at least thirty (30) days prior to the applicable annual termination date or at any time by order of the Public Service Commission of the State of New York. The Company may terminate service in the manner provided by law and the rules and regulations set forth in this Gas Tariff.

SPECIAL PROVISIONS:

a.)   Service under this Service Classification shall be separately metered. The entire expense of installing facilities necessary to accomplish such separate metering shall be borne by the Customer.

b.)   Written application upon Company's prescribed forms is required.

c.)   Applications for Interruptible Service, under this Service Classification will be accepted only when and to the extent that the Company in its judgement, has sufficient natural gas supply available after providing for the requirements of firm customers, interruptible customers already taking service, and Company use.

d.)   Interruptible service is provided hereunder only to customers maintaining standby facilities or who are located within a twenty-five mile radius of either a public refueling facility or a Company owned and operated refueling facility.
