SERVICE CLASSIFICATION NO. 16 (CONT'D)

RELIABILITY INSURANCE SERVICE

SPECIAL PROVISIONS: (CONT'D)

- A. Sales under this service classification are firm up to the Marketer's RIDQ. Service provided hereunder in excess of the Marketer's RIDQ is interruptible, and the Company may, at its sole discretion, require interruption or reduction in the rate of such gas consumption in accordance with General Information Section 8 of PSC No. 88 Gas, or superseding issues thereof.
- B. Marketer agrees: (1) if the Marketer fails to reduce or interrupt service as ordered by the Company, the Company may cancel the Reliability Insurance Service; (2) during such periods of requested interruption, all gas taken in excess of the amount the Marketer is permitted to take shall be billed at the stated price(s) in effect at that time, plus a penalty price per Dth equal to twelve (12) times the highest demand price or reservation charge in effect for gas, transportation or storage purchased by the Company from its supplier(s); and (3) in addition to the penalty price, the Customer will be responsible for all claims made against the Company and for all other costs associated with the loss of the integrity of the Company's distribution systems as a result of the Marketer's failure to discontinue service as ordered by the Company.
- C. This service is only available during the November 1, 1999 to March 31, 2000 winter season.
