Temporary Metropolitan Transportation
Business Tax Surcharge (MTA Tax)
Statement No. 1

On June 8, 1994, the Governor signed into law an amendment which provided for the reimposition of the Metropolitan Transportation Business Tax Surcharge. The Surcharge, which remained at 17%, now extends through 2003. The Commission, by order adopted June 3, 1993, authorized all water utilities to file statements designed to make them whole for their tax liability. Accordingly, that tax will be recovered through a surcharge of .330% which would be applied to all service rendered in every service classification after the effective date of this leaf.
