SERVICE CLASSIFICATION NO. 7
LOW-VOLUME FIRM GAS TRANSPORTATION SERVICE
(continued)

SPECIAL PROVISIONS: (continued)

A. APPLICABLE TO FIRM TRANSPORTATION SERVICE (continued)

12. The Company reserves the right to reject any application for service under this Service Classification where, in the sole discretion of the Company, the provision of service would or might result in a reduction in the Company's rights or ability to receive service, purchase gas or utilize capacity on the transmission system of its pipeline supplier(s), impair or interfere with the Company's operations, or impose costs in excess of those subject to recovery under these rates.
13. During the Term of Service Agreement, Customer's meter supplied with gas hereunder will not be supplied with gas metered under any other Service Classification.
14. Niagara Mohawk*'s obligations to deliver customer - owned gas are defined in Rule 3.2 of General Information.
15. Customers taking delivery service under this Service Classification who do not have a supplier of natural gas for a period of more than 30 days will be returned to sales service and be subject to all of the provisions of the applicable sales service classification. The thirty-day period will be determined by the nominations received for the applicable billing month.
