SERVICE CLASSIFICATION NO. 13

AGGREGATED FIRM TRANSPORTATION RATE - COMMERCIAL AND INDUSTRIAL (Cont'd)

SPECIAL PROVISIONS

13.3 (Cont'd)

to the Company as a core sales service Customer, (3) the Customer's Retail Supplier defaults on delivery or payment obligations or (4) the Customer leaves the system or the meter is locked. During the months from April through October the Customer or their Retail Supplier may use primary firm, secondary firm or interruptible capacity to deliver the Customer's Daily Contract Quantity.

13.4 Customers can be served by only a single Retail Supplier during the term of their contract. The customer must comply with the switching requirements as defined in General Information, Section 41.

13.5 Customers must reimburse the Company for the replacement cost of fuel associated with the diversion of non-core customers' gas supplies used to meet the firm transportation customers' needs, as described in General Information Section No. 31.

13.6 Landlords of industrial and commercial properties, which do not have residential tenants, may file a petition and application to the New York State Public Service Commission requesting permission to submeter gas usage to their tenants. Such petition and application must address the following four areas of major concern regarding the request to submeter: (1) safety (2) rate for the ultimate consumer (3) non-rate consumer protection issues, and (4) service provider and utility matters. The petition and application must also provide that the conditions proffered will be reiterated in leases with the submetered tenants. Copies of such petition and application must be served on the Company and the petitioner's tenants.
