SERVICE CLASSIFICATION NO. 8

GAS TRANSPORTATION SERVICE WITH STANDBY SALES SERVICE (continued)

STATEMENT OF TRANSPORTATION RATES:

The effective monthly rates for transportation service applicable to billings for Service Classification Nos. 1, 2, 5, 6, 7 and 8 will be duly filed with the Public Service Commission apart from this rate schedule, not less than three (3) days prior to the first of each month. Such statement will be available to the public at the Company's offices at which application for service may be made.

INCREASE IN RATES AND CHARGES:

The rates and charges under this Service Classification will be increased by a tax factor pursuant to Rule 19.

TERMS OF PAYMENT:

Bills are due and payable. Full payment must be received on or before the date shown on the bill to avoid a late payment charge of one and one-half percent (1 1/2%).

TERM:

One year initially and renewable on a year to year basis thereafter. Cancellation requires written notice by the Company or Customer thirty days prior to the expiration of the annual term of service.

SPECIAL PROVISIONS:

- A. Written application upon the Company's prescribed forms is required.
- B. Applications for service will be accepted in instances where extension of distribution main facilities for service requested would be required subject to Rule 10 of this schedule.
- C. The Customer must have installed and operable an Approved Remote Meter as defined in Rule 13.5.
- D. Full cooperation is required from Customer and Customer's gas supplier so that the Company may accurately determine the quantities of Customer-owned gas delivered into the Company's distribution system by the Customer and those quantities of Customer-owned gas actually transported to the Customer by the Company.
- E. When Customer-owned gas is delivered directly into the Company's distribution system, the Customer shall pay for any investment and expenses incurred by the Company for any metering facilities installed at the point of delivery, odorization of gas and periodic testing of the gas quality.
