SPECIAL PROVISIONS

The numbering of the paragraphs hereunder begins with the above service classification number.

- 1.1 A customer may have the option, with the consent of the Company, of paying for service taken under this classification for a limited period in equal monthly amounts based on the application of the rate to the estimated usage during the period. At the end of this period, or at the discontinuance of service if prior thereto, the customer shall pay, or be given credit for the difference between the amount paid and the charges for the actual usages under this rate. This payment or refund shall be made under such arrangements as may be agreed upon by the customer and the Company.
- 1.2 Residential Small Solar Electric Generation - Residential customers that meet Central Hudson Gas & Electric's Photovoltaic Interconnection Standards for Residential Solar Electric Power Producing Facilities of 10 kw or less may install photovoltaic generators with rated capacity of not more than 10 kw to supply their electric load and/or sell electric energy to the Company. Customers must enter into a Residential Photovoltaic (Generation Rated at 10 kw or Less) Parallel Generation Agreement with Central Hudson in order to take service under this Special Provision.
