GENERAL INFORMATION

5. CONDITIONS OF GAS SERVICE: (CONT'D)

I. Managed Storage Service

Any customer who migrates from residential or non-residential firm sales service into a non-daily metered aggregated pool under Service Classifications Nos. 13 or 14 of this Schedule must take Managed Storage Service. Under Managed Storage Service, the Company will continue to own the rights to the storage and shall manage the storage on behalf of the Customer.

The price of Managed Storage Service will be based on the Company's weighted average cost of storage, as determined solely by the Company, and shall be billed to the Customer.

Customers already taking service under non-daily metered Service Classification Nos. 13 or 14 of this Schedule prior to the effective date of this service shall have one (1) month from the effective date of this service to elect Managed Storage Service or shall forfeit the rights to elect such service until the later of: (1) the beginning of the next immediate Storage Year; or (2) one (1) year from the Customer's initial transportation service date, at which time the Customer shall then be required to take a quantity of Managed Storage Service.

The quantity of Managed Storage Service that each customer shall take will be determined as follows:

Lockport District, Combined Districts, and Elmira Districts:

Customers shall take Managed Storage Service equal to the difference between their estimated peak day demand and the estimated daily average of the Customer's maximum monthly use, as determined solely by the Company.

Towns, Villages, and Cities in the Combined Districts for whom this service is not available include: the Town and Village of Cobleskill, the Town of Carlisle, all Towns and Villages in Clinton County, the City of Mechanicville, Town of Mechanicville, Town of Halfmoon, Town of Southeast, and Town of Patterson.
