- C. Such quantity may be revised during the month as required to match pool consumption. Such revision will be effective twenty-four (24) hours following an Aggregation Nomination Order (ANO) and until such time as the Company changes or rescinds the ANO. Aggregated pools without daily recording meters who do not take Managed Storage Service or are not eligible shall pay a balancing surcharge as reflected on the Gas Transportation Rate (GTR) Statement. If other applicants desire Firm Transportation Service and there is only available capacity for the "first" applicant, the "first" applicant can reserve the required available capacity for a period of three (3) months.
