**SERVICE CLASSIFICATION NO. 13 (CONT'D)**

**RESIDENTIAL FIRM AGGREGATION TRANSPORTATION SERVICE (CONT'D)**

**SPECIAL PROVISIONS: (CONT'D)**

- E. A Transportation Service Agreement shall be signed by both parties in the form set forth in General Information Section 16 of this Schedule.
- F. Customers that heat any building, including apartment houses, prisons, dormitories, nursing homes, hospitals, hotels, and other buildings where persons may dwell on permanent basis, solely with natural gas delivered hereunder shall be considered "critical service" customers. Effective October 1, 1994, non-daily metered customers must elect reservation of the "Sales Customer" status, daily metered customers must elect either reservation of the "Sales Customer" status or Standby Sales Service. The backup service will be for that heating portion of their load unless the Customer's agent can show proof to the Company's satisfaction that the Customer or the Customer's agent has adequate supplies to meet one hundred percent (100%) of all the Customer's needs.
- G. Migration of customers in years 1996, 1997 and 1998, shall be limited to twenty-five percent (25%) per year of the 1995 residential customer base load of 24,019,660 dekatherms.
- H. Customers choosing to move among aggregation pools may do so only between April 1 and April 30 of a calendar year, and on thirty (30) days prior written notice.
- I. For non-daily metered customers, the Company will perform an annual reconciliation whereby gas delivered by the Customer's agent in excess of the corresponding aggregation customer's consumption will be rolled over to the next year, and aggregation customer consumption in excess of agent deliveries will be billed to the Customer's agent at the Customer's corresponding sales price. Non-residential customers shall also be required to pay the Index Price Option Adjustment in effect at that time for all sales gas purchases made during the year.
