**(C) Off-Peak Firm Transportation Rates for Customers also Served Under Service Classification No. 12 Rate 2 - Continued**

The Company may, in its sole discretion, reduce the rate(s) at the beginning of and/or during the month, on notice to the Customer given in accordance with the Company's Sales and Transportation Operating Procedures.

If service is interrupted to an Off-Peak Firm Customer in excess of 30 days (for reasons not resulting from emergencies threatening the integrity of the Company's system or causes beyond the Company's control or a Company authorized test of the Customer's dual fuel or alternate energy facilities and associated phone lines and communications equipment), the Company shall, upon receiving a valid receipt from the Customer reflecting its purchase of an alternate fuel or alternate energy during the curtailment period, have the option of:

- (1) crediting the Customer's account with an amount equal to the product of:
  - (a) the number of therms of replacement fuel or the amount of alternative energy used by the Customer on those additional days; and
  - (b) the amount by which the valid price of replacement fuel or alternate energy exceeds the rates and charges in effect during the curtailment period, or
- (2) providing replacement fuel from the Company's fuel suppliers.

If a Customer fails to provide the Company written notice of intent to continue Off-Peak Firm Service for a two or three-year term or to continue service under a different service classification, and service continues beyond the Primary Term elected by the Customer, the Company shall charge the local distribution margin applicable to a one-year Primary term for each successive one-year term until the Customer elects a different term.
