SERVICE CLASSIFICATION NO. 13

AGGREGATED FIRM TRANSPORTATION RATE - COMMERCIAL AND INDUSTRIAL (Cont'd)

INCREASE IN RATES AND CHARGES (Cont'd)

Transportation Demand Adjustment (Cont'd)

- (3) Propane Service will be equal to the average cost of propane supplies as shown on Schedule 7-H of the Statement of Gas Supply Charge.
- (4) Commencing May 1, 1996, customers shall be charged a surcharge in accordance with the New York State Public Service Commission's Order issued November 30, 1995, in Case 88-G-062 concerning the collection of take or pay costs. The surcharge is designed to collect over a twenty-four (24) month period the remaining uncollected balance of the take or pay costs incurred by the Company. The Take or Pay Surcharge will be shown on the monthly filed Statement of Gas Transportation Rates. The Take or Pay Surcharge will be reconciled for the twelve-month period ended December 31 of each year.
- (5) The Transportation Demand Adjustment applicable to customers who choose to purchase upstream capacity from third party suppliers will not include the pipeline credit or capacity release credit.

Deliverability Demand Components

Customers taking service under Service Classification No. 13 will be charged the following demand related charges. The customer's billing determinants will be provided upon request as defined in General Information, Section 41.

(1) Peaking Service Surcharge

The peaking service surcharge rate 100 cu. ft. will be applied to the Customer's peaking service billing determinant. The peaking service rate will be equivalent to the per unit cost of peaking services under contract to Central Hudson, increased by the allowance for bad debt, Case 00-G-1274.

(2) Storage Service Surcharge

The storage service surcharge rate per 100 cu. ft. will be applied to the Customer's storage service billing determinant. The storage service rate will be equivalent to the per unit cost of storage services under contract to Central Hudson, increased by the allowance for bad debt, Case 00-G-1274.
