With regards to the inadequate fuel situation, Customers who have not supplied the Company with such proof shall be subject to a variable rate equal to the greater of 130% of the No. 2 oil gas equivalent price (as published in the Journal of Commerce) or 130% of their otherwise applicable variable sales rate, whichever is higher. Such variable rate shall be in lieu of their otherwise applicable variable rate and shall be effective for the billing period during which the non-compliance becomes known, and for any subsequent periods during which the non-compliance continues or the date the customer provides the Company with satisfactory proof that the violation has been corrected, and is subject to all applicable utility taxes and surcharges.
