

PSC NO: 4 - Steam
Consolidated Edison Company of New York, Inc.
Initial Effective Date: 12/23/2022

Leaf: 42.1
Revision: 3
Superseding Revision: 2

GENERAL INFORMATION – Continued

5. Other Charges and Adjustments

5.2 Revenue Decoupling Mechanism (“RDM”) Adjustment - Continued

5.2.1 Mechanism - Continued

5.2.1.2 If the cumulative difference between actual Pure Base Revenue and Allowed Pure Base Revenue exceeds 1.5 percent of annual Allowed Pure Base Revenue before the end of 12 months, the Company may initiate collection or refund of RDM amounts prior to the onset of a 12-month RDM collection/refund period or adjust the amounts to be collected or refunded for the remaining months of an RDM collection/refund period.

5.2.1.3 The amount to be charged or credited to Customers in the applicable SCs will be determined by dividing the amount to be charged or credited to Customers in the applicable SCs by estimated total Mlb deliveries to Customers in the applicable SCs over the collection/refund period. If the per Mlb adjustment to the applicable SCs would be less than a debit or credit of \$0.001 per Mlb, the amount will be deferred with interest (calculated at the Other Customer Capital Rate) and collected or refunded, as applicable, in a subsequent period, or as determined by the Public Service Commission if no RDM is in effect.

5.2.1.4 Following each RDM collection/refund period, any difference between amounts required to be charged or credited to Customers in the applicable SCs and amounts actually charged or credited will be charged or credited to Customers in the applicable SCs, with interest, over a subsequent RDM collection/refund period, or as determined by the Public Service Commission if no RDM is in effect. RDM targets will be adjusted, as applicable, to exclude credits applied to Customer accounts pursuant to General Rule 3.4.14.b.

5.2.2 Statement

The RDM Adjustment unit amount per Mlb to be collected from or credited to Customers in the applicable SCs will be shown on the Statement of Revenue Decoupling Mechanism Adjustment. The Company will file such Statement with the Public Service Commission no less than three days prior to the start of the period that the RDM Adjustment is to be in effect (and no less than three days prior to any change in the RDM Adjustment as set forth herein).

5.2.3 Allowed Pure Base Revenue

Allowed Pure Base Revenue (in \$000s), for the applicable SCs, is as follows:

Nov 2023 – Oct 2024*	To be determined
----------------------	------------------

*Revenue targets for each rate year thereafter will continue at these amounts unless and until changed.

Annual Allowed Pure Base Revenue will be revised whenever there is a change in base rates.
