F. Rate

The specific charges under this Rider will be stated in the negotiated Qualifying GHG Reduction Measure Agreement executed by the Company and each Customer and will include the agreed-upon contribution to the Qualifying GHG Reduction Measure(s), in addition to any other applicable charges. Use of steam in excess of any maximum amount of steam specified in a Qualifying GHG Reduction Measure Agreement will be subject to the rates under the Customer's applicable Service Classification. The Customer's contribution to the Qualifying GHG Reduction Measure(s) may result in the total cost of service under this Rider being higher than a Customer would have otherwise paid under the Customer's applicable Service Classification.

G. Increase in Rates and Charges

The rates and charges under this Rider are increased by the applicable Percentage as explained in General Information Section 9 and shown on the related Statement.

H. Term

The term of each Qualifying GHG Reduction Measure Agreement shall be provided for in the Qualifying GHG Reduction Measure Agreement.
