GENERAL RULES

26. Additional Delivery Charges and Adjustments - Continued

26.8 Value of Distributed Energy Resources (“VDER”) Cost Recovery - Continued

(e) Community Credit Component Cost Recovery

The credits associated with customer-generators for the Community Credit will be collected from the applicable service classification group(s) under this Rate Schedule, or PASNY, that were allocated the credit. Such credits will be collected: from the service classification group(s) under this Rate Schedule on a per-kW basis for demand billed service classification groups (for Customers billed on Standby Service rates, the credit will be collected on a per kW of Contract Demand basis) and on a per kWh basis for non-demand billed service classification groups; and from PASNY on a dollar per month basis.
